

General Information

Mahatma Jyotiba Phule Rohilkhand University, Bareilly (MJPRU Bareilly) is organizing a **National Seminar on “Software Application in Engineering and Technology 2012”** on **17th Feb, 2012**. The registration fee for SAET-2012 is Rs. 1000 per participant. The timing for this seminar will be 09:00am to 05:30pm.

Seminar Objective

This one-day seminar introduces the fundamental concepts of software used in applications of Engineering and Technology. Today the researchers are mainly using the software tools in various aspect of research. The proper time utilization and optimal assessment, visibility are benchmark for software application. Having completed this seminar delegates/participants will understand the nature of naturalistic, decision making and macro-cognition and will develop some skill with basic techniques, specifically the critical decision method and decision-centered design. An outcome of this workshop is expected to be the establishment of a roadmap for future research in this area and the coming together of research groups with similar research objectives at the national level

Registration

Applications in the prescribed format must reach the coordinator on or before 05-02-2012 by post. However, candidates may send advance applications through email to the coordinator. The registration will be done on first come first serve basis. However, coordinator reserve the right to shortlist the candidates.
