

M.J.P. ROHILKHAND UNIVERSITY, BAREILLY

Revised Supplementary Examination Schedule for Paramedical Course 2020

Time 11.00 am to 2.00 pm

Course							
Day & Date	Year	Bachelor of Physiotherapy (BPT)	Bachelor of Science in Medical Laboratory Techniques (BMLT)	Bachelor of Science in Radiology imaging Techniques (BRIT)	Bachelor of Science in CT/MRI Techniques (BCT/MRIT)	Bachelor of Science in Operation Theratre Techniques (BOTT)	Bachelor of Optometry (B.Opt.)
09-10-2020 (Friday)	I	-----	Basic Anatomy	Basic Anatomy	Basic Anatomy	Basic Anatomy	Basic Anatomy & Ocular Anatomy
	II	General Microbiology	Pathology & Allied Subject-I	-----	Equipment for Radiography & Processing Techniques	Medicine Relevant to OT Techniques	Basic and Ocular Pathology/Microbiology/Phar macology
	III	Surgery, Obstetrics & Gynecology	Microbiology-III	-----	Orientation in Clinical Sciences	OT Techniques (Clinical)	Contact Lenses
	IV	Physiotherapy in Orthopedics	-----	-----	-----	-----	-----
10-10-2020 (Saturday)	I	-----	Basic Physiology	Basic Physiology	Basic Physiology	Basic Physiology	Basic Physiology & Ocular Physiology
	II	Pharmacology	-----	-----	Orientation in Para Clinical Sciences	Applied Pharmacology	Optometric Optics-II
	III	Orthopedics	Microbiology-IV	-----	Speacial Procedure in CT/MRI	OT Techniques (Applied)	Binocular Vision & Advanced Orthoptics
	IV	Physiotherapy in Neurology	-----	-----	-----	-----	-----
11-10-2020 (Sunday)	I	-----	Basic Microbiology	Radiation Physics	General Radiography	-----	General Biochemistry & Ocular Biochemistry
	II						Visual Optics
	III	Medicine	-----	-----	-----	OT Techniques (Advanced)	Major & Systematic Eye Disease
	IV	Cardiopulmonary & Integumentary Physiotherapy	-----	-----	-----	-----	-----

12-10-2020 (Monday)	I	Basic Pathology	Physical Optics & Geometrical Optics
	II	Clinical Examination of Visual System & Ophthalmic Instruments
	III	Neurology & Psychiatry	Public Health, Community & Occupational Optometry
	IV	Physiotherapy in General Medical & Surgical Conditions
13-10-2020 (Tuesday)	I	Optometric Optics-I
	II	Ocular Disease
	III	Physical diagnosis & Therapeutic skills	Pediatric Optometry & Geriatric Optometry
	IV	Community Based Rehabilitation
13-10-2020 (Wednesday)	II	Low Vision Aid & Optometry Investigation
	III	Community Health	Dispensing Optics
	IV	Research Methodology & Biostatistics
