SOLUTIONS

INTRODUCTION

The concept of "IT-Clinic" under the experiential learning program was inaugurated by honourable Vice Chancellor Prof. K. P. Singh Sir on 15th Sept. 2022 in the department of Computer Science & Information Technology, Mahatma Jyotiba Phule Rohilkhand University, Bareilly. Experiential learning is the process of learning by doing. By engaging students in practical experiences and reflection, they are better able to connect the theories and knowledge learned in the classroom to real-world situations. "IT-CLINIC" aims for providing solutions in various areas of information technology, including hardware, software, networking, web development and other IT-related needs. The Mission of the IT-Clinic is to promote and support quality, prompt, cost effective , comprehensive and reliable technology based solutions with an objective of promoting the "Earn while Learn Model". The Purpose of this IT-Clinic is to promote instilling entrepreneurial skills in students, with the mission that our educated youth moves towards being job creators rather than job seekers. Also, students will learn and gain practical experience which will help bring new perspectives in teaching, learning and research.

IT-CLINIC

Objectives

The key objectives of this "IT-Clinic" are:

1) To provide Software Support

2) To provide Hardware Troubleshooting, Maintenance, Software Paramarsh & Web Development Solutions.

3) To provide Networking Solutions.

4) To provide students satisfaction: "IT-CLINIC" strives to prioritize customer satisfaction by understanding the unique requirements of each client and providing tailored solutions that address their specific IT needs. The team of IT-Clinic aims to deliver efficient, effective, and reliable services that exceed customer expectations
