

Mahatma Jyotiba Phule Rohilkhand University, Bareilly

A State University - Government of U.P.;
NAAC Accredited; ISO 9001:2015 Certified

HEALTH CENTER OVERVIEW

If an Educational Institute performs well in all the sphere everyone's eyes turn toward it in appreciation and hand come together to offer help and give help, such is the case with the MJP Rohilkhand University- the university under the able leadership of Honourable Vice Chancellor take care of all health needs of the faculty, staff and student through it's well operated health centre in the campus to help cope up with any type of the medical emergencies as well as promoting health awareness in the society.

Prof. K.P. Singh
Hon'ble Vice Chancellor

FACILITIES

- 1.Free OPD services are provided by the specialized doctors to the students faculties, staff and their family members under the MOU dated 04/01/2022 with Rajshree Medical & Research Institute and the services of the pharmacist are provided by the registered pharmacist from Dept of Pharmacy, MJPRU.
- 2.OTC Medicines are dispensed & MJPRU Pharmacy Medical store is on cards.
- 3.TB Nutritional Monitoring Cell
- 4.Promoting health awareness through its health camp, rallies in the adopted villages related to malaria, tuberculosis, Women health, HIV and COVID-19.
- 5.X-ray facilities.
- 6.Pathology Services.
- 7.Providing the internship & practice school exposure to pharmacy students.

WORKING OF HEALTH CENTER

MJPRU Health Wellness Experiential Learning Group is managing the University Health Centre professionally.The pharmacy students are learning to deliver the clinical services (OPD services, patient counseling, medicine storage & dispensing etc) to patients under expertise of registered medical practioner & registered pharmacist, in this way students are learning entrepreneurship skills and needy students may earn from the income collected from clinical services, dispensing of medicines, the income obtained from pathology workouts or other diagnostic facilities etc
