Award of Grades & Grade Points Based on Absolute Marks

Marks Range (out of 100)	Grade	Grade Point
90 – 100	O	10
80 – 89	A	9
70 – 79	B	8
60 – 69	C	7
50 – 59	D	6
40 – 49	E	5
25 – 39	Bp	4
00 – 24	F	0
Absent	Ab	0

Letter grades O, A, B, C, D & E in a paper means that the student has been able to clear that paper (i.e. **passed in paper**).

Letter grade Bp in a paper means that the student has **not been able to clear the paper** and is **entitled to appear in the Back Paper examination** if he/she satisfies other conditions for Back Paper examination.

Letter grade F means that the student has failed.

Letter grade Ab means that the student was absent

Calculation of SGPA and CGPA

The following procedure shall be used to calculate the **Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)**:

- The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$\text{SGPA} = \Sigma(C_i \times G_i) / \Sigma C_i$$

where C_i is the number of credits of the i^{th} paper and G_i is the grade point scored by the student in the i^{th} paper.

- The CGPA is also calculated in the same manner taking into account all the papers undergone by a student over all the semesters of a programme, i.e.

$$\text{CGPA} = \frac{\sum(C_j \times S_j)}{\sum C_j}$$

Where S_j is the SGPA of the j^{th} semester and C_j is the total number of credits in that semester.

- The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

Illustration of Calculation of SGPA and CGPA

- Illustration for SGPA**

Paper	Credit	Grade Letter	Grade Point	Credit Point
Paper 1	4	B	8	4 x 8 = 32
Paper 2	4	C	7	4 x 7 = 28
Paper 3	3	O	10	3 x 10 = 30
Paper 4	4	E	5	4 x 5 = 20
Paper 5	3	D	6	3 x 6 = 18
Paper 6	4	E	5	4 x 5 = 20
Paper 7	4	C	7	4 x 7 = 28
	26			176

Thus, $\text{SGPA} = 176/26 = 6.77$

- Illustration for CGPA**

Semester I	Semester II	Semester III	Semester IV
Credit : 30	Credit : 26	Credit : 32	Credit : 34
SGPA:6.9	SGPA:5.8	SGPA:7.3	SGPA:6.8

$$\text{CGPA} = \frac{\sum(C_j \times S_j)}{\sum C_j}$$

$$\text{CGPA} = \frac{\{(30 \times 6.9) + (26 \times 5.8) + (32 \times 7.3) + (34 \times 6.8)\}}{\sum C_j}$$

Thus, $\text{CGPA} = 822.6/122 = 6.74$

11. The conversion formula for **converting CGPA to the corresponding Percentage of Marks** will be as follows:

$$X = 10 Y - 4.5$$

where, **X = Percentage of Marks**

Y = CGPA

12. In the first five semesters, the candidate will be declared only as “Pass” or “Fail.” Division will be awarded only on the basis of combined result of all the six semesters of MBA I, II and III.
13. If a candidate fails to appear in any viva voce then he / she may be provided a second chance with due permission of the Registrar on the Payment of prescribed fee of viva voce.
14. No regular admission will be given to failed students. Any candidate who fails in the examination or is entitled to carry over papers as “back papers” may reappear in the next subsequent examinations. However the marks obtained previously by the candidate in the internal evaluation of the paper concerned, shall be retained and added with the marks obtained in the subsequent end semester examinations.
15. There will be no re-evaluation or supplementary exams. Scrutiny in not more than three papers in each semester is permitted.
16. The syllabi will be prescribed by the Board of Studies. However, the course outline in detail will be prepared by the department. For the paper setting the course outline thus prepared, will be sent to the examiner concerned.
17. The award of the division to the successful candidate will be on the basis of the combined results of MBA Part I, II and III examinations (of all five semesters) as follows:

(i) Candidates securing CGPA 6.45 and above	I Division
(ii) Candidates securing CGPA 5.45 to 6.44	II Division
(iii) Candidates securing CGPA less than 5.45	Fail

18. The students will have to fulfill the minimum requirement of attendance as per the rule of the university
19. No person shall be admitted as a candidate for the examinations of any of the part after the lapse of six years after admission to the first year of MBA (Part Time) course. However under special circumstances this period may be extended by one additional year (i.e. total seven years) with the special permission of the Head as well as Dean.
